Trains lie underground  
We're on the same track  
Up and down  
You get so far  
Then you ignites  
Burning everytime  
With your bridges  
Link to mine  
You reach so hard  
Then we could might

Refrain  
Don't beat everything around you  
And then be sad  
Don't be everybody's hero  
And then get mad.  
Don't be, sorry  
Don't be  
I don't want to hear about it  
Don't be  
I don't want to know about it  
Anymore, anymore.

Sometimes you get scared  
You know the truth is  
The way up there  
And it's shadows  
Just does you alright  
You lay back  
Killing time  
Where your one track  
Open mine  
Pull the fathers  
Over your head up tights  
Refrain
