I took my girlfriend to the neighborhood store
Reached in my pocket lookin' down at the floor
My friend said, "Hey girl", as I bumped into the door
I grabbed my head tight so I wouldn't feel sore

Oh, oh, I went back home to take a little snooze
I said, "What the hell, there's nothing else I can do"
And when I got up, I tripped over my shoes
Decided to go out, 'cause I got nothin', nothin' to lose

Baby
Something's coming
Something's coming
Something's coming

Go to the closet, ain't got nothin' to wear
Go to the cupboard and the cupboard is bare
Go to my parents and there's nobody there
Get a flat tire and I ain't got a spare

But I'm not worried, 'cause I know what I need
I got a lover and it's his love I feed
A real sweet cup will keep him up
Till morning comes

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

I walk around but I ain't goin' nowhere
I'm on the ground but it feels like the air
My heads still achin' and I can't see straight
I missed the last bus and now I have to wait

But I'm not worried 'cause I know what I need
I got a lover and it's his love I feed

A real sweet cup will keep him up
Till morning comes

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Whoo, baby, baby
Something's coming
Something's coming
Something's coming
Woah

They turned the heat off and my power too
It's so cold out now I've got the flu
Went to the doctor there was nothing he could do
Then I sneezed, achoo

But I'm not worried, 'cause I know what I need
I got a lover and it's his love I feed
A real sweet cup will keep him up
Till morning comes

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom

Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
Fruit at the bottom
Fruit at the bottom
My lover's got um

Fruit at the bottom
My lover's got um
Fruit at the bottom
My lover's got um
Fruit at the bottom
