Those years were mine  
And I made us greater than our time  
Why don't you see the light you had because of me  
When you were mine

The sun is gone and I made it disappear  
No lights are on and now  
And that is unless I'm near, shine, shine, shine  
Like when you were mine

Invisible, I will not be  
(I will not appear)  
Invisible, I will not be  
(Can we make it clear)  
Invisible, I will not be

I am victory, you think I'm mercenary  
I'm luck not greed  
I'm extraordinary like when you were mine  
Shine, shine, shine

Invisible, I will not be  
(I will not appear)  
Invisible, I will not be  
(Can we make it clear)  
Invisible, I will not be

Shine, shine, shine  
What you believe in won't set you free  
When you're high on power  
Shine

All my glitter turns to gold  
I owe my beauty and my soul  
And for a price, I make you feel something  
Better every time like when you were mine

Invisible, I will not be  
(I will not appear)  
Invisible, I will not be  
(Can we make it clear)  
Invisible, I will not be

What you believe in won't set you free  
(Invisible, invisible)  
When your high on power, is me  
(Invisible, invisible)

So I'm gonna stand here until you see  
(Invisible, invisible)  
And shout, hallelujah at my feet  
(Invisible, invisible)

What you believe in is what I fear  
(Invisible, invisible)  
I've walked in your garden  
(Invisible)  
The taste is your tears  
(Invisible, invisible)
