Everytime you come around it makes me crazy
Crazy enough to think you'll ask me out
Yes you are the talk of the town, so congratulations
With a smile as good as gold so don't wear a frown
Everytime I see you down, still your not to bitter
You don't need a babysitter to keep you on your cloud
Baby you know it's true I'll never be to uptight
To wrap you in my love to just satisfy ya

Didn't your mama tell ya
Didn't your papa tell ya
To get a little satisfaction

Everytime you come around my heart beats a little
Faster, you're all the drug I'm sure I'll ever need
All the time I do believe your love is like a prayer
I can take you there if you feel the need
If you let me have it all I'll shoot for satisfaction
'Cause nothing ever meant so much to me
But keep in your mind we've got to keep on dancing
If all else fails won't you dance with me

Didn't your mama tell ya
Didn't your papa tell ya
To get a little satisfaction
If love can melt down barriers
I think I'll marry ya

Everytime I turn around
The shadow of you is still with me
But a shadow just can't take the place of you
When we touch caress cool kiss me deep my baby
All I have is for ya

Didn't your mama tell ya
Didn't your papa tell ya
To get a little satisfaction
If love can melt down barriers
I think I'll marry ya
