In the morning I wake up
Turn around and there's no one there
Wash my hair do my make-up
It's a new day out there

Tears of joy, smiles of sorrow
Where do such strange feelings come from
Can't be sure of tomorrow
But I know the day will come
Tears of joy, smiles of sorrow
I finally know what I'm looking for
And I'm sure that tomorrow
Say hello and I'll be yours

Say hello such a strange word
Such a strange way to say hello
It's so hard for me sometimes
Like love's first night alone
Anyway, it's a pleasure to know someone's
Waiting just for me
I'll find my buried treasure,
And tears of joy will rain on me

Tears of joy, smiles of sorrow
Where do such strange feelings come from
Can't be sure of tomorrow
But I know the day will come
Tears of joy, smiles of sorrow
I finally know what I'm looking for
And I'm sure that tomorrow
Say hello and I'll be yours

Can you hear me breathing
I just know that you are listening
And I'm longing to know you
You're no stranger to me
In the morning I'll wake up
Turn around and you will be there
I'll kiss you you'll wake up
And run your fingers through my hair

Tears of joy, smiles of sorrow

Where do such strange feelings come from
Can't be sure of tomorrow
But I know the day will come
Tears of joy, smiles of sorrow
I finally know what I'm looking for
And I'm sure that tomorrow
Say hello and I'll be yours
