This is the life  
Everyone has to be somewhere  
(Ohhhhhhhhhh) I am here  
Just in a dream  
The pressure of dreams is the killer  
Of dreams,  
But it only gets harder  
This is the life  
This is the life  
This is my life  
Time  
Time is the monster  
All of us fight the same monster  
To win  
I scream when I breathe  
Fear in that worry will trigger  
All my fears  
It only gets harder  
How'd I get so serious?  
This is the life  
This is the life  
This is the life  
This is my life  
This is the life  
This is the life  
This is my life  
(Ohhhhhhhh) I am here  
This is the life  
'Cause this is myyyyyy life
