Sun kills the moon, the moon starts to cry  
The rivers fight the oceans, the oceans rage at night  
And you and I, runnin' at a time

The moon kills the sun, the sun doesn't mind  
And darkness is only home for the night  
And you and I, runnin' at a time

Ooh, I'm so low, why can't we let go?  
You and I

And like a shadow gone with the light  
And you and I runnin' at a time

Ooh, I'm so low, why can't we let go?  
Ooh, you and I, you and I  
You and I, you and I
