**[Verse 1]**

Ooh, I love the way ya  
Work ya body, body  
Hot like ???  
When I'm out to party  
Come here, shorty  
Come here show me  
Damn, I can't wait to see  
What you got for me  
You know I gotta  
Stay beside ya  
Never tired, can't keep quiet  
Can't deny it, it's like a riot  
When I'm with you  
Everything catches fire

**[Hook]**

You're my escape from the rain  
Let's embrace  
You're my grace  
You're my fate  
Can't let you get away  
Darling, you're my escape from the pain  
Let's embrace  
You're my faith  
You're my praise  
Can't let you get away

**[Chorus]**

Ooh, hot like California  
Maybe like down in Florida  
Baby, I don't plan on borin' ya  
I promise ya, promise ya  
Hot like down in New Orleans  
Maybe like up in the islands  
Me and you, we set off sirens  
Sirens, sirens

**[Verse 2]**

Boy, you got me on a  
Higher ground, but, boy

Don't get me started  
So whole-hearted  
Highly regarded  
Can't be modest  
Left the dark to turn to ya ???  
So abolished  
Loves a challenge  
You keep me balanced  
Since you see me smilin'  
There's no silence  
We're always wildin'  
When I needed it  
It's your number I'll be dialin'

[Hook]

[Timbaland]  
I'm over top of you  
Like an umbrella  
Come, baby, get with this young fella  
Like the wind just blowin' on ya hot propeller  
Is that your girl lookin' hurt?  
I think she gettin' jealous  
Hey, baby, we be like two mocking birds  
Me and you exchanging nasty words  
Come here, shorty, let's see how nasty works  
Body to body, soul to soul, let's emerge  
Come on

[Hook]

[Chorus]
