[verse]

Love is the egg, see  
Lid was born in a cloud with silver lining  
Uh-huh  
But it broke I mean it hatched on the ground so time  
flew right by me  
And while I

[chorus]

I know you thought that life was gonna be easy when  
you didn't call  
You found out you were wrong  
See, I know you thought your life was gonna be easy  
You thought you had it all  
But you found out you were wrong

See, maybe, there was something wrong, and you were  
telling me no wrong  
See, maybe, the laugh's on me, and life was telling me  
a joke

[verse]

Somethings's yours  
And you let it go  
If it comes back to you  
It was yours all along

Well, I let you go, along with those lies from you  
I wouldn't want those lies anew  
Did the lies just get gone

[chorus]

See, maybe, there was something wrong, and you were  
telling me no wrong  
See, maybe, the laugh's on me, and life was telling me  
a joke

[Pharrell, speaking]

Hold it now  
How do you feel right now

Yeah me too  
Hey Yeah

Hold it now  
You all right  
See, do you remember what it's like to wake up in her  
love nest (get it, love nest)  
And now she's gone - gone, gone, gone

At which point you realize life is but a joke, and the  
laugh's on me  
That's funny, Right?
