If he loves you  
and you believe  
chicka chicka drip drop on your knees  
If he loves you  
when you're dead and gone  
kiss a kiss a killer kitty play along  
But he's crawled inside your wounded soul  
hes never ever gonna let you go  
(hes never ever gonna)  
Let you go  
(hes never ever gonna)  
Let you go

If he loves you he loves you not  
Be the one to leave him baby don't get caught  
If he loves you set your heart on fire  
I hate to be the one  
to tell you he's a liar  
If he loves you he loves you not

So call him closer be a doll  
gives you just a taste  
but you want it all  
But if you stumble  
before you fall  
take a little taste or you'll lose it all

If he loves you he loves you not  
be the one to leave him baby don't get caught  
If he loves you set your heart on fire  
I hate to be the one  
to tell you he's a liar  
If he loves you  
Oh yah if he loves you

Bet you're wishin for the day, wish you could wish it all  
away  
Bet you're wishin for the day

That he loves you but he loves you not  
Be the one to leave him baby don't get caught

If he loves you set your heart on fire  
I hate to be the one  
to tell you he's a liar  
If he loves you he loves you not  
Be the one to leave him baby don't get caught  
Cause if he loves you, oh if he loves you, he loves you  
not
