Does what I'm wearing seem to shock you?  
Well that's okay  
Cus what I'm thinking about you is not okay  
I've got it on my mind to change my ways  
But I don't think I can be anything other than me  
No, I don't think I can be anything other than me

Do you have a light?  
Can you make me feel alright?  
There's plenty of white to go around  
Do you think its right when you hit me to the ground?  
Well, light me up when I'm down  
Light me up when I'm down

Does what I'm saying seem to haunt you?  
Well that's okay  
Cus what I'm thinking about you is not okay  
I've got it on my mind to change my ways  
But I don't think I can be anything other than me  
No, I don't think I can be anything other than me

Do you have a light?  
Can you make me feel alright?  
There's plenty of white to go around  
Do you think its right when you hit me to the ground?  
Well, light me up when I'm down  
Just light me up when I'm down  
Just light me up when I'm down  
Light me up when I'm down

Does what I'm taking seem to bother you  
Well that's okay  
Cus what I'm thinking about you is not okay  
I've got it on my mind to change my ways  
But I don't think I can be anything other than me  
No, I don't think I can be anything other than me

Do you have a light?  
Can you make me feel alright?  
There's plenty of white to go around  
Do you think its right when you hit me to the ground?

Well, light me up when I'm down  
Just light me up when I'm down  
Light me up when I'm down  
Light me up when I'm down
