Take me - I'm alive,
Never was a girl with a wicked mind,
But everything looks better,
When the sun goes down.
I had everything: opportunities for eternity
And I could belong to the night.
Your eyes, your eyes,
I can seeâ€¦ in your eyes, your eyes.

You make me wanna die,
I'll never be good enough.
You make me wanna die
And everything you love
Will burn up in the light
Every time I look inside your eyes.
You make me wanna die.

Taste me, drink my soul,
Show me all the things, that I shouldn't know,
When there's a blue moon on the rise.
I had everything:
Opportunities for eternity
And I could belong to the night.
Your eyes, your eyes
I can seeâ€¦ in your eyes, your eyes
Everythingâ€¦ in your eyes, your eyes.

You make me wanna die,
I'll never be good enough.
You make me wanna die
And everything you love
Will burn up in the light
Every time I look inside your eyes.
(I'm running in the light)
You make me wanna die.

I would die for you...my love, my love
I would lie for youâ€¦my love, my love
(Make me wanna die)
And I would steal for youâ€¦my love, my love
(Make me wanna die)

And I would die for youâ€¦my love, my love.

Will burn up in the light
Every time I look inside your eyes
(I'm running in the light)
Look inside your eyes
(I'm running in the light)
Look inside your eyes
You make me wanna die.
