Somebody mixed my medicine
Somebody mixed my medicine

You hurt where you sleep
And you sleep where you lie
Now you're in deep and
And now you're gonna cry
You got a woman to your left
And a boy to the right
Start to sweat so hold me tight

Somebody mixed my medicine
I don't know what I'm on
Somebody mixed my medicine
But baby it's all gone
Somebody mixed my medicine
Somebody is in my head again
Somebody mixed my medicine again, again

I'll drink what you leak
And I'll smoke what you sigh
Straight across the room with a look in your eye
I got a man to the left and a girl to the right
Start to sweat so hold me tight

Somebody mixed my medicine
I don't know what I'm on
Somebody mixed my medicine
But baby it's all gone
Somebody mixed my medicine
Somebody is in my head again
Somebody mixed my medicine again, again

There's a tiger in the room
and a baby in the closet
Pour another drink mom
I don't even want it
Then I turn around and think I see
Someone that looks like you

You hurt where you sleep

Sleep where you lie
You're in deep
You're gonna cry
You got a woman to your left
And a boy to the right
Start to sweat so hold me tight

Somebody mixed my medicine
I don't know what I'm on
Somebody mixed my medicine
But baby it's all gone
Somebody mixed my medicine
Somebody is in my head again
Somebody mixed my medicine
Again. Again. Again
