

Pretty Reckless, The "Since You're Gone"

Since you hide, since you steal
Since you hate everything I feel
Since you cheat, since you lie
Since you don't wanna try things I wanna try

Since you been gone
My life has moved along
Quite nicely actually

Got a lot more friends and I don't have to pretend
Since you're gone
Since you're gone

Since you're not what I want
You can take everything I've got
Take the seat, take the drive
If I say I love you, I am a liar

Since you been gone
My life has moved along
Quite nicely actually

Well met my lover gin and I don't have to pretend
Since you're gone
Since you're gone

I've been looking for a new direction, anyway
I've been thinking about my own protection, instead

Now that you're gone
My life has moved along
Now that you're gone
My life has moved along
Now that you're gone
My life has moved along
Now that you're gone

Since you hide, since you steal
Since you hate everything I feel
Since you cheat, since you lie
Since you don't wanna try things I wanna try

Since you been gone
My life has moved along
Quite nicely actually

Quite nicely actually
Quite nicely actually
Quite nicely actually
Quite nicely actually
Quite nicely actually
Quite nicely
