All alone again  
searching for something  
there's no one left to save me now  
I won't be afraid  
I just thought you'd catch me  
but you're not here to save me now  
I've had my share of criminals  
and you're no different from them all

I need a superhero  
Cause I am just a girl  
and I have no one who will go  
and save me from this world  
come to me you superhero (save me)  
cause I am just a girl  
I know  
cause you're no superhero

what did I expect  
i thought you'd help me  
but i was crushed and beaten down  
Yeah I've had my share of criminals  
and you're no different from them all

I need a superhero  
Cause I am just a girl  
and I have no one who will go  
and save me from this world  
come to me you superhero (save me)  
cause I am just a girl  
I know  
cause you're no superhero

I'm hanging on the edge of the world  
I'm clutching to a string  
and my life is crumbling  
down

i need a superhero  
someone to save me  
i need a superhero

someone to save me

I need a superhero (save me)  
Cause I am just a girl  
and I have no one who will go  
and save me from this world  
come to me you superhero (save me)  
cause I am just a girl  
I know  
cause you're no superhero
