I live like I live in a Coma
I smoke like an Iron Lung
Hide out in the dark when it's summer
I never go out in the sun
I know that you have a new honey
I know that you have no more time
for me & you spend all your money
on her, well I've made up my mind
I'm coming around
I'm coming around
I'm coming around
I'm coming to get you
I'll creep 'round your garden til midnight
I'll look thru your window til dawn
I'm hoping to catch me an eyefull
of your love & you doing porn
I know that my mind is confusion
i know that you have no more love
for me & I need a transfusion
or someone to wake me, shake me!
I'm coming around
I'm coming around
I'm coming around
I'm coming to get you
I live like I live in a Coma
I smoke like an Iron Lung
Hide out in the dark when it's summer
I don't do much fun - but...
I'm coming around
I'm coming around
I'm coming around
I'm coming to get you
