I really got to use my imagination  
Gotta think of good reasons  
To keep on keepin' on  
I got to make the best of a bad situation  
Ever since that day  
I woke up and found  
That you were gone  
Darkness all around me  
Blackin' out the sun  
Old friends call me  
But I just don't feel like talkin' to anyone  
Emptiness has found me  
And it just won't let me go  
I go right on livin'  
But why I do not know

Starin' down reality  
Don't do me no good  
'Cause our misunderstanding  
Is too well understood  
It's such a sad, sad season  
When a good love dies.  
Not a day goes by  
When I don't realize  
I've really got to use my imagination  
I gotta think of good reasons  
To keep on keepin' on  
Got to make the best of a bad situation  
Ever since that day  
I woke up and found  
That you were gone  
You were gone  
I-i-i-i-i baby  
Since you were gone  
Since you were gone
