I don't know why  
Devil's mountain  
Hanging on by a rope  
Burning fever  
Hard travellin'  
Sweet shelter come home

Chorus:  
You've got somebody  
You've got somebody  
You've got somebody  
Watching over you

Desert roses  
Far from water  
Raise a glass to your throat  
Come on you poor boys  
From the country  
This is a power to behold  
Three ravens rising  
Two rivers raging  
Less fair deal down the road  
Late is the hour  
Red is the colour  
Lord have mercy on your soul

Chorus

So in the morning  
Wait for your darling  
You know she's waiting for you  
On the boat  
Comes in slowly  
Bringing Spanish wine for you  
So while you're dreaming  
And hard travellin'  
As you labour for this land  
Swear on your vision  
Of this nation  
Say a prayer for the damned

## Chorus
