How can i resist you, standing in the shade of a dying  
dream  
How may i possess you, tho i know that nothing is as it  
seems  
I give myself to you, laying here beside you in the  
darkness  
Nothing that i could do, thinking about these 72 hours

Green Eyes  
oceans - i could swim in her eyes  
dancing - across green starry skies  
sleeping - i could tell you no lies  
touch me - with your earthly ties  
Green eyes

Green eyes  
gliding - the winds slowly rise  
peaceful - battle in your eyes  
Falling - from the earth to the skies  
touch you - with my earthly ties  
Green eyes

Green eyes  
Tremble - before pretense dies  
drain you - and so energized  
staring - into your eyes  
love me - you now realize  
Green eyes
