(I'll be watching you)

I'm MC Peaches with the rep of a superstar  
And yes you are my man, but you can't drive my car  
Hey, you don't pay my rent, and even if you did  
You still couldn't play me out, no, not this kid  
The sweet talk that you make on all the other women  
Works just like a charm, but you know how I'm livin'  
I won't be caught in games, no matter what you do  
I know who's zoomin' who, boy (I'll be watching you)

(I'll be watching you)

Boy, every breath you take, man, every word you utter  
Don't you make a mistake and talk about another  
Yes, to forgive's divine, but I'm not heavenly  
No, I'm not running blind, so don't you mess with me  
Because a woman's scorn is no joke, don't laugh  
Revenge is sweet, my dear, I'm takin' more than half  
Yes, I can see clearly now that the rain is gone  
I'll let you get near me but remember the song

(I'll be watching you)

You had a heavy rep as a major player  
But I can hang out too, now what you have to say, huh?  
I'm MC Peaches, baby, I'll always make do  
Yo, I can tame the shrew, boy (I'll be watching you)

(I'll be watching you)
