[ VERSE 1: MC Peaches ]

Watch my smoke as I explode, yo check it  
Gimme a beat and a mic and I wreck it  
A female MC, what does it mean?  
Do you expect me to kick it and pump it like a hottie queen?  
Sayin eenie, meenie, minie moe weak raps  
I don't think so, Peaches isn't into that  
I get rough and tough and kick it smooth  
Bein a female I have a lot to prove  
I come off hard with a dope delivery  
And most of the male MC's can't get with me  
I do my thing, suckers are left behind me  
Like I said, watch the smoke in the '90s  
Back on the map cause Peaches is the best, you see  
So wipe your forehead and ah, stop sweatin me  
All woman, yes I am, yes I am  
How can I be second when I gave birth to man?

(She's not just another woman  
She's not, no no no)

[ VERSE 2: MC Peaches ]

The pen is picked up and the rhymes are written  
If Peaches made it, it must be hittin  
Harder than a bat, in fact just like a truck  
And if the comp survives it's beginner's luck  
I've been through battles and one by one I stomped  
Out competition, so yo, there is no comp  
And as for slippin, come on, let's deal with facts  
I go to work on my off day cause I'm all that  
I wreck shop (word) from ounce to ounce  
Get the papers, yo, then it's time to bounce  
Think you can deal? Give it your best shot  
I swing hard, suckers are gettin dropped  
I move fast, you know swiftly  
And I'm the one to kick your ass if you diss me  
Feminine but still hard as they come  
Peaches ain't just another one

(She's not just another woman

She's not, no no no)

[ VERSE 3: MC Peaches ]

Bein a f-e-m-a-l-e

Makes it d-i-f-f-i-c-u-l-t

Stayin ahead of the game I must do

Cause once you slip or fall behind you're through

The will to survive, that keeps me goin

A funky bassline, yo, keeps me flowin

Takin what shoulda been took last year

It's '91 and Peaches is now here

Givin you more than you expect

And cause I'm a female you can't accept

The fact I can pack a jam as quick as any man

And leave the place with more dough in my hand

And when you think I'm gonna quit

I pause - and then say some old fly shit

Thought a woman couldn't rock as hard as a man?

Well, Peaches can
