[Werd]

My styles funny eh? ha ha ha

IãfÂçâ,¬Â™ ve got one style IãfÂçâ,¬Â™ ve got two
style

Do it like this (Do it like this)

(You canny) Canny do it like this

Do it like this (Do it like this)

You cunts cant do it like this

Jokers get a bat man Im Robin

All your damn shit from your kicks to your Walkman

I take your bitch you prick and put cock in

Just like Christmas got her in the stockings

Do it often constantly bossing

Dudes in the circle I rock like its moshing

Fuck all your mocking I just keep talking

Behind bars like your boy was in Saughton

Locked in I got the nail in the coffin

Bringing up green like you do when you coughing

(Uh uh) flossing? (Uh uh) no often

Like to get ice but really Im just frosting

Hot and though I rip beats often

So a get strips like a damn street crossing

Come on tits just bounce like you jogging

Like gun crime ya cunt I keep popping

Superhero you watching a Watchmen

But cant see his face like he's Mr. Watson

Be careful you might get a stomping

Im watch-in your ass like Chris Walken

You Pulp Fiction Im fact when Im Knocking

Cunts right back right bats they are copping

Independent but not on Koch and

Fuck a verse get the hook like boxing

Do it like this (Do it like this)

(You canny) Canny do it like this

Do it like this (Do it like this)

You cunts cant do it like this

Im fly I flew I drift

Im spew Im flu Im sick

Im the shit your not your just pish

Im tight like a knot I know I got this
Yes and I rep Auld Reekie
Shout out to Glasgow though Im born Weegie
Do it easy on E's man Im easy
Run around town with a blade in my sleeve eh
You got a problem? Dont want to see me
Put you in the box and I dont mean the TV
Nah fools IÃfÂçâ,¬Â™ ve more tools than Speedy
Shit I will leak ye I dont mean a CD
Check my C.V. no throwing up bee geeÃfÂçâ,¬Â™ s
Nah but I got a buzz Im the bee's knees
Trying blow I just got a wee breeze
And this is knout mate this is a freebie

Do it like this (Do it like this)
(You canny) Canny do it like this
Do it like this (Do it like this)
You cunts cant do it like this

Like This, You get drowned out
Cant hear yourself on the beat your not like me
