[Werd]

It's me cunt

I am not the same (I am a Scotsmen) [x4]

Never hide behind a name no you know my name is
Drew

Underground but stand above its funny what the fame
would do

Death to the stars 'Death star' like Vader's view
No religious racist but its basic that the papers due/Jew
Drew is ahead of you on tracks like he go choo choo
Waiting in the station I will blow like I go 'achoo'

Plus I will go at you yes you will know my shoe
Damn like damn but damn man Im flowing through
I will make it known to you I am on the thrown to you
And I will never chuck it cut it chuck it like its thrown to
you

I do my thing lying sucks just to get ahead
Yes I am 'King' like a lion was my fucking head
Fuck with your fam man see I really need in bread
But on the other hand OK I take the drugs instead
I am not the same I am Scottish

Brain goes tick tick tick you should watch this
Circle is a mosh-pit make a cipher hot shit
And I get ahead like I get a fucking nosh bitch
Stick balls la-cross bitch come on baby throw it up
Fly and I flu/flew like sick baby throw it up
Shows and Im showing up to try and get my doe more
up

Cause I aint really fly for these birds I got that Dodo
touch

But you are looking photo brushed you are looking oh
so flushed

Right down the drain Im not playing all this local stuff
You aint really got a knife acting like your Coco Brice
Fuck rap nights I just rev it like a motorbike
Chip in like poker right so I can get that dope and white
And then I get melted similar to Polar ice
Fuck man you ken Im like fucked when the pen will write
Plus something tucked gone cut and just end your life
I am not the same I am Scotsman
Tell by my actions and accent Im talking

Cunt no stopping nah I keep boxing
Throwing punch lines its crush time Im rotten
Just like Im off and I do it often
But Im the worst emcee in the whole of Scotland
Or maybe not then least Im a signed cunt
Signed up myself but at least Im a signed cunt
Own my own publishing letting all the public in
So buy me a pint when you see me in the pub again
Because I dinny make cash nah I just make raps
And you get it free like choring fucking wee chav's
