For you I want to sing a happier song  
for you I'm gonna try to right all my wrongs  
for you I'm gonna break my bad habits  
there's a golden ring and I want you to have it  
there's a golden ring and I want you

For you I'm gonna sit and patiently wait  
it's great if you're early but if its fine if you're late  
for you I feel love and I just want to show it  
you're a beautiful girl and want you to know it  
you're a beautiful girl and want you to know it  
you're a beautiful girl and want you to know it  
it's an infinite world and I want you

Once again I am opened  
Once again I am opened  
Once again I am opened  
Once again I am opened

For you I'm waiting on the ticket line  
I gotta get back I don't wanna waste time  
but the people are tired and the line is so long  
so all I can do is sing this song
