I hear what you're sayin'  
I may seem out of order  
Nothing's quite the same now  
As it ever was before her  
And you're looking at me  
With one of those sideways glances  
You say I'm giving too much  
And takin' too many chances

But I won't believe you now  
I've got to check this out  
And nothin' you can do  
Will convince me otherwise  
You're just tryin' to be a friend  
I know the message is well meant  
But none of it does compare to her eyes

Just go easy on me  
I'm feelin' out of order  
I'm beaten and I'm wounded  
Like I never was before her  
And I know you're talkin' sense  
But I can't forget about her  
You say I'm as good as dead  
If I keep it up much longer

But I won't believe you now  
I've got to check this out  
And nothin' you can do  
Will convince me otherwise  
You're just tryin' to be a friend  
I know the message is well meant  
But none of it does compare to her eyes

It may seem unwise  
You may be right  
But I don't mind  
I just can't mind  
It may seem unwise  
You may be right  
But I don't mind

I just can't mind
