Put on your lipstick powder  
handbag on your shoulder

make yourself look so pretty while you're heading for  
the city.

Changing images and styles only satisfies you for a  
while

and you think you're so good looking

you gotta know  
gotta know what's cooking.

Desire - she's trying hard to reach up higher

Desire - there's ice around a heart on fire.

Breaking up  
breaking down  
everybody swaps around

find yourself another lover  
but you'll very soon discover.  
Changing images and styles only cover all the lies

You've been beggin'  
you've been stealin'  
anyway  
to this feeling.

Desire - she's trying hard to reach up higher

Desire - there's ice around a heart on fire.

Desire - she's trying hard to reach up higher

Desire - there's ice around a heart on fire.

Desire - she's trying hard to reach up higher

Desire - there's ice around a heart on fire.
