tell me this time i won't drop it
that it won't break it will only bend
tell me this is my lucky number
tell me it all works out in the end
tell me my pockets won't always be empty
that i will have money to lend
tell me we will all be happy
tell me it all works out in the end
tell me my troubles won't last forever
that where I'm broken, i will mend
tell me we will all be rejoicing
tell me it all works out in the end
send me some reassurance
tell me my desire is my friend
tell me there's beauty in here somewhere
tell me it all works out in the end
