We want it all  
We want it now  
We move so fast  
We can't slow down  
We can't get off this merry-go-round

Everybody wants more time, love, & money  
Never satisfied no matter how much  
Cause even if we had more time, love, & money  
It would never be enough  
Everybody wants a peice of the action  
But when you add the peices all up  
Funny how that time love & money  
It wouldn't be enough

We work our fingers to the bone  
Computers, faxes, beepers, phones  
We'll sleep the day we're dead and gone

Everybody wants more time, love, & money  
Never satisfied no matter how much  
Cause even if we had more time, love, & money  
It would never be enough  
Everybody wants a peice of the action  
But when you add the peices all up  
Funny how all that time, love, & money  
It wouldn't be enough

On Sunday we kneel down and pray  
Oh please forgive our selfish ways  
Come Monday were back in the race

Everybody wants more time, love, & money  
Never satisfied no matter how much  
Cause even if we had more time, love, & money  
It would never be enough  
Everybody wants a peice of the action  
But when you add the peices all up  
Funny how all that time, love, & money  
It wouldn't be enough

Funny how all that time, love, & money  
Just wouldn't be enough  
Wouldn't be enough  
Wouldn't be enough  
Noo
