I never needed love
But I need you
I never needed nobody
But I live for you
Ooh, Babe
Lost in love
Is what I feel
When I'm with you

Maybe its the way you touch me
One of those times
Maybe its the way my heart
Has come undone
Ooh, Babe
Lost in love
Is what I feel
when I'm with you

Baby yeah...
What would I do with out you, oh...
Oh Baby
My hopes are true
When I'm with you
When I'm with you

I never cared for nobody
But I care for you
And I never wanted to share the things
I want to share with you
Oh, Babe
Lost in love
Is what I feel
When I'm with you

Baby yeah...
What would I do without you
Ohh, baby
My world would be blue without you
Ohh, baby
what would I do without you
Ohh, Baby

My world would be blue with out you
I need you
