I've been long, a long way from here  
Put on a poncho and played for mosquitos  
And drank till I was thirsty again  
We went searching through thrift store jungles  
Found Geronimo's rifle, Marilyn's shampoo  
And Benny Goodman's corset and pen  
Well okay, I made this up  
I promised you I'd never give up

Chorus:  
If it makes you happy  
It can't be that bad  
If it makes you happy  
Then why the hell are you so sad

Get down, real low down  
You listen to Coltrane, derail your own train  
Well, who hasn't been there before  
I come 'round, around the hard way  
Bring you comics in bed, scrape the mold off the bread  
And serve you French toast again  
Well okay, I still get stoned  
I'm not the kind of girl you'd take home

Chorus (2x)

We've been far, far away from here  
Put on a poncho, played for mosquitos  
And everywhere in between  
Well okay, we get along  
So what if right now everything's wrong

Chorus (2x)
