I was just out of school an' she was twenty-two
It was only one night an' no-one ever knew
Never saw her again, but that was alright
It was just for a while, but it felt like

Wa oh oh oh oh oh woah
Wa oh oh oh oh oh waaa-oh

Took the money she saved and bought an old car
Threw her back on the seat and drove into the stars
All she wanted to do was see the sun rise
When it lit up the sky, you know she felt like

Wa oh oh oh oh oh woah
Wa oh oh oh oh oh waaa-oh
(repeat)

Stand up, hold on, let go, shout out
Don't barf, free fall, begin right now
Get lost, get loud, wake up, break out
Don't stop 'till it feels like

Wa oh oh oh oh oh woah
Wa oh oh oh oh oh waaa-oh
(repeat)

He was only a kid when he joined up

They told him, "Son, be a man," and that's not what he
was
They put gun in his hand and told him who to fight
When he got back home, you know it felt like

Wa oh oh oh oh oh woah
Wa oh oh oh oh oh waaa-oh
(repeat)

Stand up, hold on, let go, shout out,
Don't barf, free fall, begin right now,
Get lost, get loud, wake up, break out,
Don't stop 'till it feels like

Wa oh oh oh oh oh woah yeaah
Wa oh oh oh oh oh waaa-oh
Don't stop 'till it feels like
Wa oh oh oh oh oh woah
Wa oh oh oh oh oh waaa-oh

Yeah stand up, hold on, let go, shout out
Don't barf, free fall, begin right now
Get lost, get loud, wake up, break out
Don't stop 'till it feels like
