I don't care what we gonna do tonight
As long as you're right there, by my side
You bring the jokes
and I'll bring the punch line
Maybe we'll dance a while
Don't think, don't speak
Stay in this bubble of you and me,
As long as you're with me,
Nothing can touch us now, yeah.

CHOURUS

Ok, so what, It's raining again
Lighting could strike, but I'm not afraid
Hurricanes, earthquakes, 100 metre waves,
Road blocks, red lights, gravity won't stop us from
flying
*almost whisper*As long as you're by my side you
know
that nothings gonna touch us...

Shakespeare couldn't write you into words,
There was nobody like you back then,
and Einstien might hae figured out the world
But you remain a mystery
Just to him, not to me
We're in this bubble nobody can see
As long as your with me nothing can touch us now,
yeah
