Fighting evil by moonlight
Winning love by daylight
Never running from a real fight
She is the one named Sailot Moon.
She will never turn her back on her firend
She is always there to defend
She is the one on who we can depend
She is the one named Sailor...
Sailor Venus [Venus]
Sailor Mercury
Sailor Mars [Mars]
Sailor Jupiter
Secret powers are so new to her
She is the one named Sailor Moon

-Guitar-

Fighting evil by moonlight
Winning love by daylight
With the Sailor Scouts to help fight
She is the one named Sailor Moon
She is the one named Sailor Moon
She is the one..
