"Baby It's You"

It's not the way you smile that touched my heart
It's not the way you kiss that tears me apart

Oh many many nights roll by
I sit alone at home and cry over you
What can I do
I can't help myself
When baby it's you
Baby it's you

You should hear what they say about you cheat cheat
They say they say you never never never been true
cheat cheat

Wo ho it doesn't matter what they say
I know I'm gonna love you any old way
What can I do when it's true
Don't want nobody nobody no
Baby it's you
Baby it's you

Wo ho many many nights roll by
I sit alone at home and cry over you
What can I do
I can't help myself
Cause Baby it's you
Baby it's you
Don't leave me alone
Come on home
Baby it's you
