This is dedicated to the one I love

While I'm far away from you my baby  
I know it's hard for you my baby  
Because it's hard for me my baby  
And the darkest hour is just before dawn  
Each night before you go to bed my baby  
Whisper a little prayer for me my baby  
And tell all the stars above  
This is dedicated to the one I love  
Life can never be exactly like we want it to be  
I can be satisfied just knowing that you love me  
There's one thing I want you to do especially for me  
And it's something that everybody needs  
Each night before you go to bed my baby  
Whisper a little prayer for me my baby  
And tell all the stars above  
This is dedicated to the one I love  
This is dedicated to the one I love
