You've got me hooked  
And I can't stop thinking about it  
I'm addicted to you  
You've turned into a habit

Like they do in the films  
We're gonna end up just perfect  
You say it's cliché,  
But babe I don't want it any other way

My heart is attacking  
Oh baby defend me  
It's probably just scared  
Because it knows it's not worthy

For someone that's perfect  
And might just adore me  
My heart has been rev'ing  
It'll go when the lights green

\*chorus\*

You make my heart race  
Like it's got something to lose  
I spend my time just wishing  
I could spend it with you

I wanna be the jump that you need  
When you're feelin' alone  
My heart is hooked and runnin'  
And I'm ready to go  
\*end chorus\*

\*post chorus\*

You make my heart race  
I'm ready to go  
You make my heart race  
I'm ready to go  
You make my heart race  
I'm ready to go  
My heart is hooked and runnin'  
I'm ready to go

\*end post chorus\*

I'm so attached and afraid, baby don't you dare doubt  
it  
I gave you the key and can't go no where without it  
My heart has been stalling  
I'm falling and falling  
Into pieces,  
I want you to feel

The same way about me  
Where it's like an injury  
Whenever I'm out on the road

And you're scared cause it's so late  
But don't be, it's okay  
My heart is still rev'ing...  
It'll go when the lights green

\*chorus\*

You make my heart race  
Like it's got something to lose  
I spend my time just wishing  
I could spend it with you

I wanna be the jump that you need  
When you're feelin' alone  
My heart is hooked and runnin'  
And I'm ready to go

\*end chorus\*

\*post chorus\*

You make my heart race  
I'm ready to go  
You make my heart race  
I'm ready to go  
You make my heart race  
I'm ready to go  
My heart is hooked and runnin'  
I'm ready to go

\*end post chorus\*

\*bridge\*

You've got me hooked and I can't stop thinking about it  
You've got me hooked and I can't stop thinking about it  
\*end bridge\*

\*chorus\*

You make my heart race  
Like it's got something to lose  
I spend my time just wishing

I could spend it with you

I wanna be the jump that you need  
When you're feelin' alone  
My heart is hooked and runnin'  
And I'm ready to go  
\*end chorus\*

\*post chorus\*  
You make my heart race  
I'm ready to go  
You make my heart race  
I'm ready to go  
You make my heart race  
I'm ready to go  
My heart is hooked and runnin'  
I'm ready to go  
\*end post chorus\*
