In the blue, in the blue you are  
You're off the screen again, carried by the wind, oh no  
I'll always be, I'll always be around  
You can not be found, you always disappear  
Where are you?

They don't make 'em like you  
They don't make 'em like you anymore, not anymore

Out of bounds, out of bounds it seems  
I'm tangled in these dreams that mean so much to me  
I grab hold, I forget life will take away  
The plans that I have made will not be on display  
forever

And they don't make 'em like you  
They don't make 'em like you anymore, not anymore  
If they don't make 'em like you  
If they don't make 'em like you, what can I do I'm stuck  
on you?

Would you come around, I'm dying to be found?  
I'm always in the blue without you

If they don't make 'em like you, oh  
If they don't make 'em like you, what should I do?

Pa, pa, pa, pa, pa, pa, para  
Pa, pa, pa, pa, pa, pa, para  
Pa, pa, pa, pa, pa, pa, para, pa

Pa, pa, pa, pa, pa, pa, para
