I'm still climbing mountains
I'm still chasin' after love
And I'll fight these demons
If you swear to hold me up

In my dreams
I found peace (oo oo ooh, oo oo ooh)
There is good
Left in me (oo oo ooh, oo oo ooh)

When all is quiet
Sometimes I feel I'm stuck
Moments have passed me
Moments I must give up

In my dreams
I found peace (oo oo ooh, oo oo ooh)
There is good
Left in me (oo oo ooh, oo oo ooh)

Love me, love me
Could we last forever?
Love me, love me
Let's run together

And now we're just beginning
I see your rainbows, rainbows
I feel this mountain moving
I'm searching way beneath the (oo oo ooh, oo oo ooh)
This couldn't be, this just couldn't be (oo oo ooh, oo oo ooh)
And this couldn't be, this just couldn't be

In my dreams
I found peace
In my dreams
I found peace

Love me, love me
Could we last forever?
Love me, love me

Let's run together

Love me, love me
Could we last forever? (last forever)
Love me, love me
Let's run together (run, run, run)

Still climbing mountains
Still chasin' after love
