Hey Madelyne,
You drive me crazy,
And I hate the things you do
Madelyne,
You drive me crazy,
And most of all,
I hate how I love you.

It's the weekend,
I'm feeling weak again
You said that last time
Was the last time
And now I'm waiting on the phone
To a busy dial tone
Tell me why
Tell me when
Tell me what to do
I can't go on like this
But I can't stop myself
From loving you and the things you do
Sometimes it drives me crazy
I've been thinking maybe baby I
Should call it quits,
I can't convince you,
Should I call it quits?
I can't convince you

chorus
Hey Madelyne,
You drive me crazy,
And I hate the things you do
Madelyne,
You drive me crazy,
And most of all,
I hate how I love you.

Hey Madelyne,
What will it take to break this game?
Cause I just want to be with you

I'm outta line,
When I say that I'm obsessed with Madelyne,
I've lost my mind because

I can't stop the things that you do to me
I can't stop the things that you do to me
I can't stop the things that you do to me
I can't, I can't understand this

chorus
Hey Madelyne,
You drive me crazy,
And I hate the things you do
Madelyne,
You drive me crazy,
And most of all,
I hate how I love you.
end chorus

Madelyne,
I know you think that I'm a waste of time
But I swear I'm not
Madelyne,
You think I'm crazy
But I'll change your mind
Whether you like it or not

You're breaking my heart
Oh where do I start
I'm falling apart
Without you here

You're breaking my heart
Oh where do I start
I'm falling apart
Without you here

Madelyne,
I know you think that I'm a waste of time
Madelyne,
What will it take to break this game?
Cause I just want to be with you

chorus
Hey Madelyne,
You drive me crazy,
And I hate the things you do
Madelyne,
You drive me crazy,
And most of all,
I hate how I love you.

end chorus
