When you asked me,  
"Michelle, do you love me?"  
I didn't know what to say  
so I just laid down beside you and  
I loved you in a silent way  
And when you asked me to forgive you  
For all your cheating days  
I just laid down beside you and  
Forgave you in a silent way  
Silence is golden  
Words are made of lead  
And in the alchemy of love  
Some things are better left unsaid  
And when you told me you were leaving  
I did not ask you to stay  
But my eyes told no lies and  
My tears fell in a silent way  
Silence is golden  
Words are made of lead  
And in the alchemy of love  
Some things are better left unsaid
