Sleep comes creeping in
At four in the morning
Sneaking up the stairs
Shoes in her hands
Don't you know what time it is?
I've been worried about you, lollie
I say the least you could do was
Phone to say you'd be late
Sleep keeps me awake all night
I wonder where she is right now
I told her if she's late to call
Or don't come home at all
Don't you know what time it is?
I've been worried about you, lollie
I say the least you could do was
Phone to say you'd be late
Last week it was one a.m.
This week it was two a.m.
Last night it was three a.m.
And tonight it's four a.m.
You never mind about that now

You come lay down beside me, lollie

Let me hold you in my arms

Let me kiss you, kiss you, lollie

Let me hold you in my arms

Let me hold you in my arms
