Too little too late

Don't you tell me how

It used to be

I've seen the record and it

Clearly reads "To date:

Too little too late"

Too little too late

Don't you talk about

The way things was

Bringing roses and

Turtledoves don't rate

Too little too late

I should have known

That it was now or

Never but good things

Come to those who wait

When nothing came

But the eleventh hour

i said honey, I'm taking

The liberty to

Liberate myself

Too little too late
Then was then
but honey, now is now
If I don't call
Then you can just
Learn how to wait
Too little too late
