I know who you are | What am I butt? | The dirty, sick
end | the beginning of what?
I hear what I want | What I want you say | Another
excuses | UP YOUR ASS TRAY

Smoke Rings Get in My Eyes
Smoke Rings around your lies
Smoke Rings fade away
Inhaling what you say
UP YOUR ASS TRAY

I know who I am | I am what I say | oh-Sexy suck it up
filterless, free and stray
I know who I am | Im down for broke | another excuse |
UP IN SMOKE
Smoke Rings Get in My Eyes
Smoke Rings around your lies
Smoke Rings that all fade away
Inhaling what you say UP YOUR ASS TRAY
SOLO

A wise women once said to me Listen to a compliment
care---fully
They open their mouths to stroke you up But, what they
really wanna say come after the BUT
I love you butt | I love you butt | I love you butt | No you
dont so shut up
