Bad Brain Good Head Good Head Bad Brain Good
Head Good Head

I've seen many HEADs in my day, they come in all
shapes and sizes
the head I like to talk about today, evil lurks inside her.

Bad Brain Good Head Good Head

Cant believe what it tells me to do, things I never would
They say that I am bad in the brain, thank god my head
is good

So Good

Good Head Good Head Good Head Good HeadBad
Brain Good Head Good Head Bad Brain Good Head
Good Head

Head Head Head Head Head Head Head Head Head
Head Head Head Head Head Head Head

Bad Brain Good Head Good Head Bad Brain Good
Head Good Head

Bad Brain Good Head Good Head Bad Brain Good
Head Good Head

Bad Brain Good Head Good Head Bad Brain Good
Head Good Head

Bad Brain Good Head Good Head Bad Brain Good
Head Good Head
