My life as a plumber started when I was young | I've
seen every leaky problem under the sun
While everyone around me was too scared to react, I
said,
"Hand me the plunger baby-- and - step - back"

My Life as a plumber-- I'm all clogged up
Being a Plumber Baby is such a bummer

Today I've had it with all of your stuff
I gotta warn ya' baby 'cause "I'm All Clogged Up" Oh
Yeah
And if this pressure is more than I can bare
I'm gonna wash that man right outa my hair

My Life as a plumber-- I'm all clogged up
Being a Plumber Baby is such a bummer

All clogged up deep inside? | Pipes wouldn't drain is
your sewer too dry?
I have a solution that I'd like to make,
Stop living with the ache and --send- in - the- snake

My Life as a plumber-- I'm all clogged up (more)
