I'm the keeper of the bees,  
as you've known.  
Just a worthless memory  
in this house,  
Through the light of day  
& dark will you notice me?  
I'm the keeper of the bees;  
I'm a dead man.

Dear Diary,  
I won't keep her awake anymore,  
I won't love her anymore she wont let me,  
Just a journeyman's journey to the end,  
Will this road hold home for good,  
will I ever see?  
Against this broken street again, it will comfort me.

Dear Diary,  
I won't keep her awake anymore,
