Al Capone was a hoodlum
He was a gangster
He kills people in gangland style
He is a stupid asshole, he is full of shit

Al Capone, Al Capone
Al Capone, Al Capone

Al Capone gunned down my brother
He killed him with an Uzi submachine gun
He plugged twenty bullets in him
He stole his hotrod

Al Capone, Al Capone
Al Capone, Al Capone

Al Capone beat two men to death with a baseball bat
He smashed both of them over the head
At the age of 46, he was a stupid jackass
Al Capone is a no-good asshole

Al Capone, Al Capone
Al Capone, Al Capone

Rock over London, rock on Chicago
Wal-Mart, it's always the low price, always
