Elvis Presley was a rock star  
He was the greatest  
He can sing his ass off  
Right on, brother

Elvis Presley  
Elvis Presley  
Elvis Presley  
Elvis Presley

He is my greatest singer  
He was my kind of guy  
He can really rock  
He can rock this place apart

Elvis Presley  
Elvis Presley  
Elvis Presley  
Elvis Presley

That man can sing great  
That was the tone of his voice  
He can really get down  
He can really get in the groove
