This band played at free-fest
About 2000 people watched the show
The Rock'n Roll was awesome like Checks Press
The Jam session was wuppin' on what's his ass from my
belt

Retard Bus! (4x)

The band played it on
The band got down like a masochist
The crowd roared like a lion
The Rock'n Roll Jam session was terrific

Retard Bus! (4x)

The show was over at last
A lot of people met the band
The rock show was wuppin' it up
It was wuppin' a motherfuckers ass from my belt

Retard Bus! (4x)

Rock over London
Rock on Chicago
Pontiac, we are driving excitement
