Got the mike in my hand but can I make you
understand That a-hole bands have a-hole fans
Bloodhound's the name and the Gang's to blame Like
Chan n' Chin the Siamese twins it's one in the same So
fame ain't gonna live forever Never worrying about
dying cause it can't be any better But whatever
happens to happen always happens for the worst And if
the worst is yet to happen I hope it happens to you first
So hello Joe what do you know? Heard ya just got back
from a Bloodhound show Did you do the Batussi or did
you do the Hustle? Did you do the Flamin' Waffle or the
Super Bowl Shuffle? No matter what you did kid you're
gonna be amused If you were not entertained you did
not drink enough booze If ya get your eyes a'fuzzin'
then we'll get your ears a 'buzzin' Cause we play
around the world you play around with your cousin
Bloodhound boys Bloodhound girls Bloodhound noise
Bloodhound world Rock on rock on do it dusk til' dawn
Anywhere we go everywhere we've gone Don't matter
what state what town what show Hell-bound
Bloodhound going nowhere slow We rock Philadelphia
Baltimore Las Vegas Indianapolis Louisville Atlanta
New Orleans and Minneapolis Houston Tucson Phoenix
Buffalo Tulsa Mobile Albuquerque Wichita and Orlando
Portland Portland Salt Lake City Memphis Washington
D.C. Charlotte Oklahoma City Little Rock and Milwaukee
Cleveland Tampa Norfolk Dallas Raleigh Hartford
Cincinnati Boston Nashville Kansas City Chattanooga
And Miami Honolulu Richmond Austin Pittsburgh San
Antonio Baton Rouge and Anchorage and Birmingham
and Toledo Denver Detroit Dayton Spokane Fresno And
Jacksonville Columbus Springfield New York
Sacramento Los Angeles St. Paul St. Louis San
Francisco Madison Knoxville Seattle San Jose and San
Diego Jackson Omaha Des Moines Boise Providence
Chicago But no where in New Jersey that's the only
place we won't go Bloodhound boys Bloodhound girls
Bloodhound noise Bloodhound world Rock on rock on
do it dusk til' dawn Anywhere we go everywhere we've
gone Don't matter what state what town what show Hell-
bound Bloodhound going nowhere slow Rock on
